Location:

Transportation Management Center Conference Room, 1:00 p.m.

Committee Members in Attendance:

	Tony Wyatt	Roger Thomas	Jimmy Eatmon
Terry Hopkins	Brian Mayhew	Brad Hibbs	Bucky Galloway
Kevin Lacy	Cliff Braam	Rob Foss	

Minutes:

- The meeting began at approximately 1:10 p.m.

Key Item 1 - Drivers Education - Recommended Action from Committee - Push Issue Back to Executive Committee. EC Establish and Activate a YOUNG DRIVERS Task Force/Team to work on these and other young and inexperienced driver issues. (I think we adequately addressed David's inquiry on ROR training - however this issue is very broad and extends far beyond Driver's Ed.

Key Item 2 - Safety Edge - Brian Mayhew to proceed with establishing a Safety Edge Work Team to openly discuss, better understand, and to resolve concerns and issues with this treatment

Key Item 3 - PAVEMENT MARKINGS & RPMs (General Poor Condition/Quality Of and Additional Consideration of Large Glass Beads)
Significant discussion on costs, cash flow limits, and treatments / durability / value. Terry Hopkins to contact WZ Traffic Control Unit and get a participant to work with us on drafting and developing this strategy.

Key Item 4 - Don Lee (or staff representative) - joining Lane departure Group and working on Roadside Trees LifeSaving Strategy - Jimmy Eatmon has expressed a strong interest in helping Don on this.
